Acquire and use accurately grade-appropriate general academic and domain-specific words and phrases; gather vocabulary knowledge when considering a word or phrase important to comprehension or expression.

CC.1.3.9-10.K

Read and comprehend literary fiction on grade level, reading independently and proficiently

CC.1.4.9-10.A

Write informative/ explanatory texts to examine and convey complex ideas, concepts, and information clearly and accurately.

CC.1.4.9-10.B

Write with a sharp distinct focus identifying topic, task, and audience.

CC.1.4.9-10.C

Develop and analyze the topic with relevant, well-chosen, and sufficient facts, extended definitions, concrete details, quotations, or other information and examples appropriate to the audience's knowledge of the topic; include graphics and multimedia when useful to aiding comprehension.

CC.1.4.9-10.D

Organize ideas, concepts, and information to make important connections and distinctions; use appropriate and varied transitions to link the major sections of the text; include formatting when useful to aiding comprehension; provide a concluding statement or section.

CC.1.4.9-10.F

Demonstrate a grade appropriate command of the conventions of standard English grammar and spelling.

СС.1.4.9-10.Н

Write with a sharp distinct focus identifying topic, task, and audience. Introduce the precise claim.

CC.1.4.9-10.I

Distinguish the claim(s) from alternate or opposing claims; develop claim(s) fairly, supplying evidence for each while pointing out the strengths and limitations of both in a manner that anticipates the audience's knowledge level and concerns.

CC.1.4.9-10.J

Create organization that establishes clear relationships among claim(s), counterclaims, reasons, and evidence; Use words, phrases, and clauses to link the major sections of the text, create cohesion, and clarify the relationships between claim(s) and reasons, between reasons and evidence, and between claim(s) and counterclaims; provide a concluding statement or section that follows from and supports the argument presented

CC.1.4.9-10.K

Write with an awareness of the stylistic aspects of composition: Use precise language and domain-specific vocabulary to manage the complexity of the topic. Establish and maintain a formal style and objective tone while attending to the norms of the discipline in which they are writing.

CC.1.4.9-10.L Demonstrate a s

Demonstrate a grade appropriate command of the conventions of standard English grammar and spelling.

CC.1.4.9-10.M

Write narratives to develop real or imagined experiences or events.

CC.1.4.9-10.N

Engage and orient the reader by setting out a problem, situation, or observation, establishing one or multiple points of view, and introducing a narrator and/or characters.

CC 1.4.9-10.0

Use narrative techniques such as dialogue, description, reflection, multiple plot lines, and pacing, to develop experiences, events, and/or characters; use precise words and phrases, telling details, and sensory language to convey a vivid picture of the experiences, events, settings, and/or characters.

CC.1.4.9-10.P

Create a smooth progression of experiences or events using a variety of techniques to sequence events so that they build on one another to create a coherent whole; provide a conclusion that follows from and reflects on what is experienced, observed, or resolved over the course of the narrative.

CC.1.4.9-10.R

Demonstrate a grade appropriate command of the conventions of standard English grammar and spelling.

CC.1.4.9-10.S

Draw evidence from literary or informational texts to support analysis, reflection, and research, applying grade level reading standards for literature and literary non-fiction.

CC.1.4.9-10.U

Use technology, including the Internet, to produce, publish, and update individual or shared writing products, taking advantage of technology's capacity to link to other information and to display information flexibly and dynamically.

CC.1.4.9-10.V

Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation and to display information flexibly and dynamically.

CC.1.4.9-10.W

Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the usefulness of each source in answering the research question; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism and following a standard format for citation.

CC.1.5.9-10.B

Evaluate a speaker's perspective, reasoning, and use of evidence and rhetoric, identifying any fallacious reasoning or exaggerated or distorted evidence.

CC.1.5.9-10.C

Integrate multiple sources of information presented in diverse media or formats (e.g. visually, quantitatively, orally) evaluating the credibility and accuracy of each source.

CC.1.4.9-10.S

Draw evidence from literary or informational texts to support analysis, reflection, and research, applying grade level reading standards for literature and literary non-fiction.

CC.1.4.9-10.T

Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach, focusing on addressing what is most significant for a specific purpose and audience.

CC.1.4.9-10.U

Use technology, including the Internet, to produce, publish, and update individual or shared writing products, taking advantage of technology's capacity to link to other information and to display information flexibly and dynamically.

CC.1.4.9-10.V

Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation and to display information flexibly and dynamically.

CC.1.4.9-10.W

Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the usefulness of each source in answering the research question; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism and following a standard format for citation.

CC.1.4.9-10.X

Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes and audiences.

CC.1.5.9-10.A

Initiate and participate effectively in a range of collaborative discussions on grades level topics, texts, and issues, building on others' ideas and expressing their own clearly and persuasively.

range of strategies and tools.

CC.1.3.9-10.A

Determine a theme or central idea of a text and analyze in detail its development over the course of the text, including how it emerges and is shaped and refined by specific details; provide an objective summary of the text.

CC.1.3.9-10.C

Analyze how complex characters develop over the course of a text, interact with other characters, and advance the plot or develop the theme.

CC.1.3.9-10.D

Determine the point of view of the text and analyze the impact the point of view has on the meaning of the text.

CC.1.3.9-10.E

Analyze how an author's choices concerning how to structure a text, order events within it and manipulate time create an effect.

CC.1.3.9-10.H

Analyze how an author draws on and transforms themes, topics, character types, and/or other text elements from source material in a specific work.

Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 9-10 reading and content, choosing flexibly from a range of strategies and tools.

CC.1.4.9-10.D

Organize ideas, concepts, and information to make important connections and distinctions; use appropriate and varied transitions to link the major sections of the text; include formatting when useful to aiding comprehension; provide a concluding statement or section.

CC.1.4.9-10.F

Demonstrate a grade appropriate command of the conventions of standard English grammar and spelling.

CC.1.4.9-10.G

Write arguments to support claims in an analysis of substantive topics.

CC.1.4.9-10.H

Write with a sharp distinct focus identifying topic, task, and audience. Introduce the precise claim.

CC.1.4.9-10.I

Distinguish the claim(s) from alternate or opposing claims; develop claim(s) fairly, supplying evidence for each while pointing out the strengths and limitations of both in a manner that anticipates the audience's knowledge level and concerns.

CC.1.4.9-10.J

Create organization that establishes clear relationships among claim(s), counterclaims, reasons, and evidence; Use words, phrases, and clauses to link the major sections of the text, create cohesion, and clarify the relationships between claim(s) and reasons, between reasons and evidence, and between claim(s) and counterclaims; provide a concluding statement or section that follows from and supports the argument presented.

CC.1.4.9-10.O

Use narrative techniques such as dialogue, description, reflection, multiple plot lines, and pacing, to develop experiences, events, and/or characters; use precise words and phrases, telling details, and sensory language to convey a vivid picture of the experiences, events, settings, and/or characters.

CC.1.4.9-10.P

Create a smooth progression of experiences or events using a variety of techniques to sequence events so that they build on one another to create a coherent whole; provide a conclusion that follows from and reflects on what is experienced, observed, or resolved over the course of the narrative.

CC.1.4.9-10.Q

Write with an awareness of the stylistic aspects of writing: Use parallel structure, Use various types of phrases and clauses to convey meaning and add variety and interest.

CC.1.4.9-10.S

Draw evidence from literary or informational texts to support analysis, reflection, and research, applying grade level reading standards for literature and literary non-fiction.

CC.1.4.9-10.T

Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach, focusing on addressing what is most significant for a specific purpose and audience.

CC.1.4.9-10.U

Use technology, including the Internet, to produce, publish, and update individual or shared writing products, taking advantage of technology's capacity to link to other information and to display information flexibly and dynamically.

CC.1.4.9-10.V

Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation and to display information flexibly and dynamically.

CC.1.4.9-10.W

Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the usefulness of each source in answering the research question; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism and following a standard format for citation.

CC.1.5.9-10.C

Integrate multiple sources of information presented in diverse media or formats (e.g. visually, quantitatively, orally) evaluating the credibility and accuracy of each source.

CC.1.5.9-10.D

Present information, findings, and supporting evidence clearly, concisely, and logically such that listeners can follow the line of reasoning; ensure that the

CC.1.4.9-10.R

Demonstrate a grade appropriate command of the conventions of standard English grammar and spelling.

CC.1.4.9-10.S

Draw evidence from literary or informational texts to support analysis, reflection, and research, applying grade level reading standards for literature and literary non-fiction.

CC.1.4.9-10.T

Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach, focusing on addressing what is most significant for a specific purpose and audience.

CC.1.4.9-10.U

Use technology, including the Internet, to produce, publish, and update individual or shared writing products, taking advantage of technology's capacity to link to other information and to display information flexibly and dynamically.

CC.1.4.9-10.X

Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation and to display information flexibly and dynamically.

CC.1.4.9-10.W

Gather relevant information from multiple authoritative print and digital sources, using advanced searches effectively; assess the usefulness of each source in answering the research question; integrate information into the text selectively to maintain the flow of ideas, avoiding plagiarism and following a standard format for citation.

CC.1.4.9-10.X

Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of discipline-specific tasks, purposes and audiences.

CC.1.5.9-10.C

Integrate multiple sources of information presented in diverse media or formats (e.g. visually, quantitatively, orally) evaluating the credibility and accuracy of each source.

CC.1.5.9-10.D

Present information, findings, and supporting evidence clearly, concisely, and logically such that listeners can follow the line of reasoning; ensure that the presentation is appropriate to purpose, audience, and task.

|-------------|---|---|
| Skill | VB-MAPP Milestones & Supporting Skills | PA Core Standards |
| 6-M | Imitates 10 actions that require selecting a specific object from an array (e.g., selects a drumstick from an array also containing a horn and a bell, and imitates an adult's drumming) | CC.1.5.11-12.D Present information, findings, and supporting evidence, conveying a clear and distinct perspective; organization, development, substance, and style are appropriate to purpose, audience, and task. |
| 6-a | Imitates blowing 2 times (e.g., bubbles, candles, balloons) | CC.1.5.11-12.E |
| 6-b | Imitates 5 common gestures (e.g., shrugging shoulders, thumbs up, finger to closed lips) | Adapt speech to a variety of contexts and tasks. CC.1.5.11-12.G |
| 6-c | Imitates turning a page in a book | Demonstrate command of the conventions of standard English when speaking based on grade 11-12 level and content. |
| 6-d | Imitates 5 actions with a specific object selected from an array of 2 (e.g., imitates hugging puppy from an array of a doll | CC.1.2.11-12.J Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, |
| 6.0 | and a puppy) Imitates pulling 5 different items apart (e.g., Duplos, Kid K'Nex, lids on containers) | and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when |
| 6-e | Imitates puring 3 different items apart (e.g., Duplos, Kid K Nex, fids on containers) | considering a word or phrase important to comprehension or expression. |
| 7-M | Imitates 20 different fine motor actions when prompted, Do this (e.g., wiggling fingers, pinching, making a fist, making a butterfly) | |
| 7-a | Imitates 3 play behaviors in the natural environment (e.g., pushing a car down a ramp) | |
| 7-b | Imitates 5 two-step behaviors (e.g., touch head and touch shoulders) | |
| 7-c | Spontaneously imitates a behavior observed on a TV or video (e.g., dancing, hopping) | |
| 7-d | Imitates 5 facial expressions (e.g., kissing, opening mouth, shutting eyes, scrunching nose) | |
| 7-е | Maintains a newly acquired imitative behavior after 24 hours without training | |
| 7-f | Imitates a new behavior correctly on the first trial | |
| 7-g | Imitates 5 examples of finger play (e.g., pretend walking on two fingers, finger dancing) | |
| | | |
| 8-M | Imitates 10 different three-component sequences of actions when prompted, Do this (e.g., clapping, jumping, | |
| | touching toes; pick up a doll, place her in a crib and rock the crib) | |
| 8-a | Imitates 5 actions in a 10-second fluency test | |
| 8-b | Imitates drawing a circle on 2 occasions | |
| 8-c | Imitates 5 pretend play activities (e.g., a monster, pouring tea, shooting spider webs) | |
| 8-d | Spontaneously imitates 5 fine motor arts and crafts activities (e.g., cutting, pasting, drawing) | |
| 8-e | Acquires 5 new listener skills through transfer of control from imitation to listener (e.g., the child learns to cast a toy | |
| 0.6 | fishing pole by first being shown how, then told how) | |
| 8-f | Imitates other children during daily activities on 2 occasions (e.g., lining up, pulling a wagon) | |
| 8-g | Repeats a fun behavior previously observed (delayed imitation) (e.g., squirting water) | |
| 9-M | Spontaneously imitates 5 functional skills in the natural environment (e.g., eating with a spoon, putting on a coat, | |
| | removing shoes) | |
| 9-a | Imitates a socio-dramatic play activity modeled by peers on 2 occasions | |
| 9-b | Spontaneously imitates 5 behaviors in a group activity (e.g., sits when other children sit) | |
| 9-c | Imitates 10 two-component actions (e.g., pretend pouring and drinking) | |
| 9-d | Imitates the same behavior going fast and slow for 5 behaviors (e.g., arms up fast then slow) | |
| 10-M | Imitates (or attempts to with approximations) any novel motor action modeled by an adult with and without objects (i.e., a "generalized imitative repertoire") Imitates building items or the construction of a toy set (e.g., Legos, a train set, Lincoln Logs) | |

| 10-b | Imitates 5 sequences of multi-step functional self-care skills (e.g., brushing teeth, washing face, putting on shoes) |
|------|---|
| 10-c | Imitates 5 functional activities of daily living skills (e.g., setting the table, sweeping the floor) |
| 10-d | Demonstrates delayed imitation of adult behavior in pretend play (e.g., driving a car, typing) |
| 10-е | Imitates 50 different motor behaviors on command |

Determine and analyze the relationship between two or more central ideas of a text, including the development and interaction of the central ideas; provide an objective summary of the text.

CC.1.2.11-12.B

Cite strong and thorough textual evidence to support analysis of what the text says explicitly as well as inferences and conclusions based on and related to an author's implicit and explicit assumptions and beliefs.

CC.1.2.11-12.0

Analyze the interaction and development of a complex set of ideas, sequence of events, or specific individuals over the course of the text.

CC.1.2.11-12.D

Evaluate how an author's point of view or purpose shapes the content and style of a text.

C 1 2 11-12 F

Analyze and evaluate the effectiveness of the structure an author uses in his or her exposition or argument, including whether the structure makes points clear, convincing, and engaging.

CC.1.2.11-12.G

Integrate and evaluate multiple sources of information presented in different media or formats (e.g. visually, quantitatively) as well as in words in order to address a question or solve a problem.

CC.1.2.11-12.H

Analyze seminal texts based upon reasoning, premises, purposes, and arguments.

CC.1.2.11-12.I

Analyze foundational U.S. and world documents of historical, political, and literary significance for their themes, purposes, and rhetorical features.

CC.1.2.11-12.J

Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when considering a word or phrase important to comprehension or expression.

CC.1.2.11-12.K

Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade level reading and content, choosing flexibly from a range of strategies and tools.

CC.1.2.11-12.L

Read and comprehend literary non-fiction and informational text on grade level, reading independently and proficiently.

CC.1.3.11-12.A

Determine and analyze the relationship between two or more themes or central ideas of a text, including the development and interaction of the themes; provide an objective summary of the text.

CC.1.3.11-12.B

Cite strong and thorough textual evidence to support analysis of what the text says explicitly as well as inferences and conclusions based on and related to an author's implicit and explicit assumptions and beliefs.

CC.1.3.11-12.C

Analyze the impact of the author's choices regarding how to develop and relate elements of a story or drama.

CC.1.3.11-12.D

Evaluate how an author's point of view or purpose shapes the content and style of a text.

CC.1.3.11-12.E

Evaluate the structure of texts including how specific sentences, paragraphs and larger portions of the texts relate to each other and the whole.

CC.1.3.11-12.F

Evaluate how words and phrases shape meaning and tone in texts.

CC.1.3.11-12.G

Analyze multiple interpretations of a story, drama, or poem (e.g., recorded or live production of a play or recorded novel or poetry), evaluating how each version interprets the source text. (Include at least one play by Shakespeare and one play by an American dramatist.)

CC.1.3.11-12.H

Demonstrate knowledge of foundational works of literature that reflect a variety of genres in the respective major periods of literature, including how two or more texts from the same period treat similar themes or topics.

CC.1.3.11-12.I

Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on grade 11-12 reading and content, choosing flexibly from a range of strategies and tools.

CC.1.3.11-12.J

Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level; demonstrate independence in gathering vocabulary knowledge when considering a word or phrase important to comprehension or expression.
